Simply free-falling, falling into eternity, passing thru their whole life and time'. The seventh staff begins the refrain with 'ne-er know-ing who they are. Breaking sound barriers and the speed of light, Going to meet their Mak-er, Com-'. The eighth staff continues with 'in down hard at a rapid rate of speed, Un-pre-pared to en-ter where al-all is ni-ght.'. in down hard at a ra- pid rate of speed, Un-pre-pared to en -ter where al-all is ni- ight.

INTRO: We're hurtling thru eternity at a rapid rate of speed, past powers and principalities, never knowing that they're there
Most deny the spirit world, 'cause it's powers are unseen, they remain in a downward spiral til they make Jesus Christ their King

V1 So many are free falling, so empty and freefalling, They're falling into eternity, never knowing why they're here
Simply freefalling, passing into eternity, passing through their whole life and time, never knowing who they are

REFRAIN: Breaking sound barriers and the speed of light, going to meet their Maker, coming down hard at a rapid rate of speed
Unprepared to enter, where all is night.

V2 Are you free falling? So empty and freefalling? Don't fall into eternity without calling out His Name, Stop your freefalling, don't pass into eternity,
without knowing of His love for you, and that for you, all is well.

v. 3 So many are freefalling, Are you free falling, Dont fall into eternity without knowing why you're here. Dont go freefalling, Don't pass into eternity
Wasting all of your life and time, on a free fall to Hell. (then use INTRO as OUTRO)
