V. 1 O Lord I've come to meet with You on the mountaintop  
I've come to hear Your voice  
I need to come aside, Just to be with You,  
I want to know what's on Your heart

REFRAIN: I'll come away, I'll come away, I'll come away with You, O Lord I seek Your face I need Your embrace  
High on this mountaintop with You

2. I've come to seek Your face on the mountaintop  
I feel Your Spirit draw me near  
I want to know Your plans, I'll lay down my demands  
So I can find Your perfect will.

3. I'll fly away with You to the mountaintop  
When Your Spirit draws me near  
I'll soar on eagles wings, high over earthly things  
When my spirit's one with Yours.
